By Ryan Ka (6B), William Lee (5B) and Mavis Ma (5A)

**O**n the 17<sup>th</sup> of October, all the students and teachers from LKPS went to Tai Po Waterfront Park for a school trip. They went there by school bus.

On that day, it was very hot and sunny. **Everyone was very excited. The students' parents** were also there to play with them.

They did many different activities, such as flying kites, playing games, and sightseeing too. When the students were playing with the kites, they sometimes made the kites fall in the trees. So, some teachers went to help them and taught them how to **fly the kites. Zita Chau from 5A said, "My favourite part of the trip was flying the kite with Mavis and Jasmine. They are my friends. The trip was full of laughter, so I felt glad."**

Besides this, they also had a class competition. They had to use a tool to pass a table tennis ball to another person. The class that passed the most balls won. It was such an exciting game! After the game, they had two hours of free time. They also enjoyed tasty snacks. They had many kinds of snacks, like crisps, chicken wings, candies, and more. Miss Hung, **5D's class teacher said, "I enjoyed this picnic because it was nice. When I have time, I will go there again with my family to fly a kite."**

# LKPS Halloween

By Ceci Chan (6C), Keifer Kung (5A) and Kubi Cheung(4A)

**O**n the 28<sup>th</sup> of October, LKPS had a Halloween Party for all the students and teachers to celebrate Halloween. This Halloween Party happens every year.

On the morning of Halloween day, most of the students and teachers dressed up to go to school. They dressed like witches, vampires and Frankensteins. Some of them even had make-up on their faces. It was so spectacular to see a lot of **'monsters' together, so the school let the dressed up** people take photos.

At recess time, Miss Karen and Mr. Ken played many English games with the students. They played matching games, Find the Treasure and Guess the Leader. The students liked the game named Shark. It is a chasing game. In this game people get chosen to

chase other people. The people who are chosen must chase other people. A lot of people joined in and played the game happily! They all were excited. They played Shark on the ground floor.

**It was very fun. Oscar Chow in 4A said, "I dressed up**

like a black witch. I liked playing the games that **Miss Karen and Mr. Ken prepared."**

Also, they went trick-or-treating with their friends. Some elder students even went trick-or-treating with young students for candies. Miss Karen brought many things for decorating such as, some toy pumpkins, paper ghosts and toy vampires. She decorated her English room, so many students went there to take some photos. Ms. So, the principal said, **"I think Halloween is a day for everyone to dress like monsters and to get candy from the adults. Halloween is a great day for us to learn more about Halloween!"**

**O**n the 30<sup>th</sup> of September, Lee Kam Primary School students went to different places to have a tree trip. They went to these places by school bus. The tree trip happens every year. It is important for the students because they need to know that trees help keep the people on earth healthy. The trees give us fresh air, so everyone needs to protect the trees.

P.1 went to Tuen Mun Park. They learned a lot about the kinds of trees that are in Tuen Mun Park. P.2 students went to Park Promenade. They learned more about leaves. P.3 students went to Inspiration Lake near Disneyland. They had a great time there. P.4 and P.5 students went to Kowloon Park. # SPECIAL REPORT: ENGLISH SURVEY

By Kelvin Hui (6E), Nicole Lai (6B), Thomas Yip (4B)

Last year, the English department did a survey about the popularity of the English activities by the English DJs and Miss Karen. They did this survey because they wanted to improve their English activities. The teachers of LKPS want the students to learn English because they need to communicate with many other people in English. The survey was optional, and the students could do it online.

Each month, Miss Karen finds a class and the English DJs to perform the song of the month in the hall. From the survey, most of the students strongly agree the song of the month performance on the playground led by Miss Karen is good.

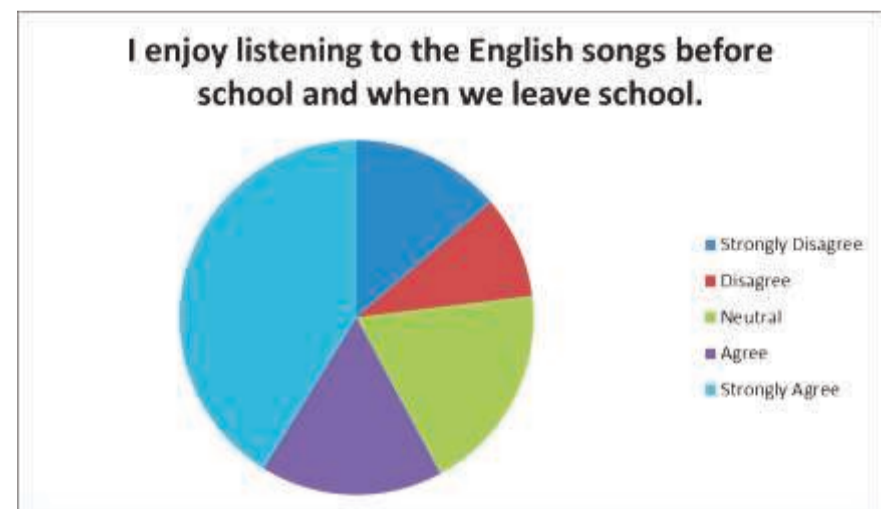

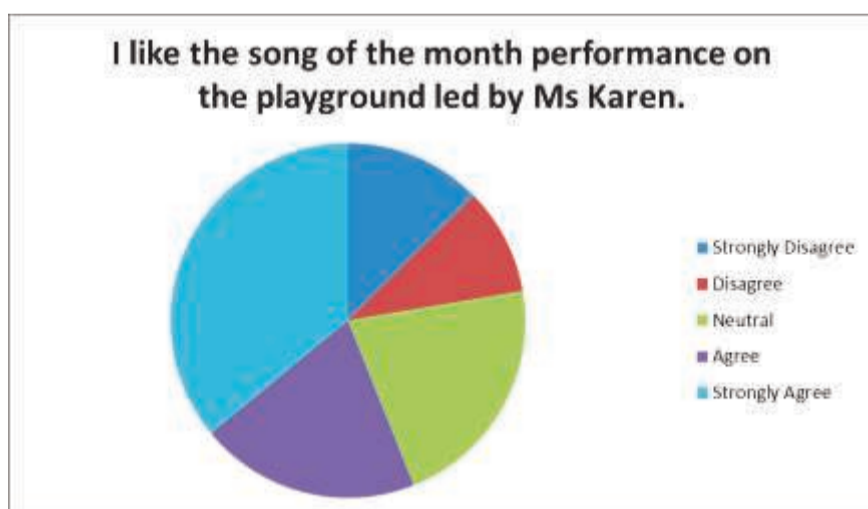

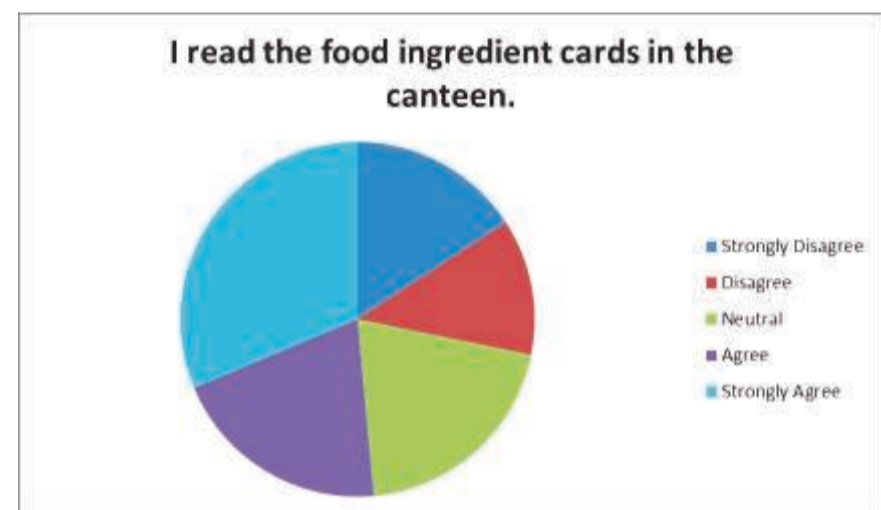

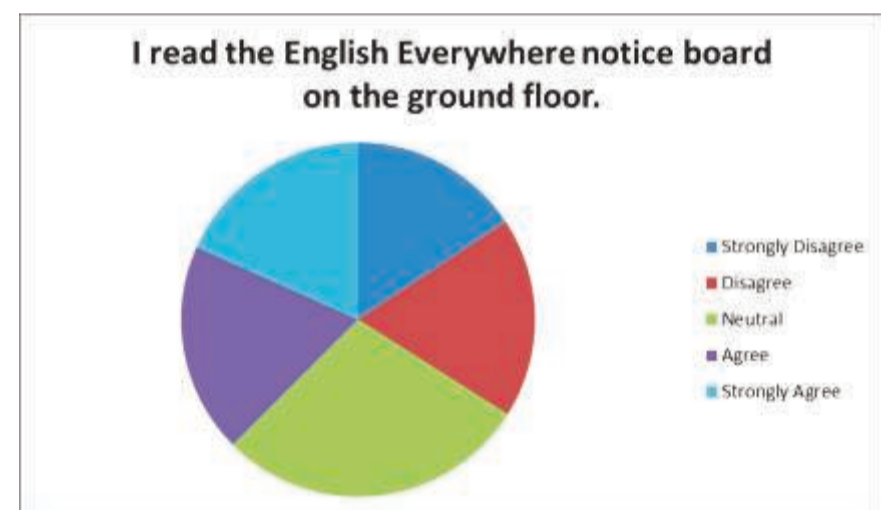

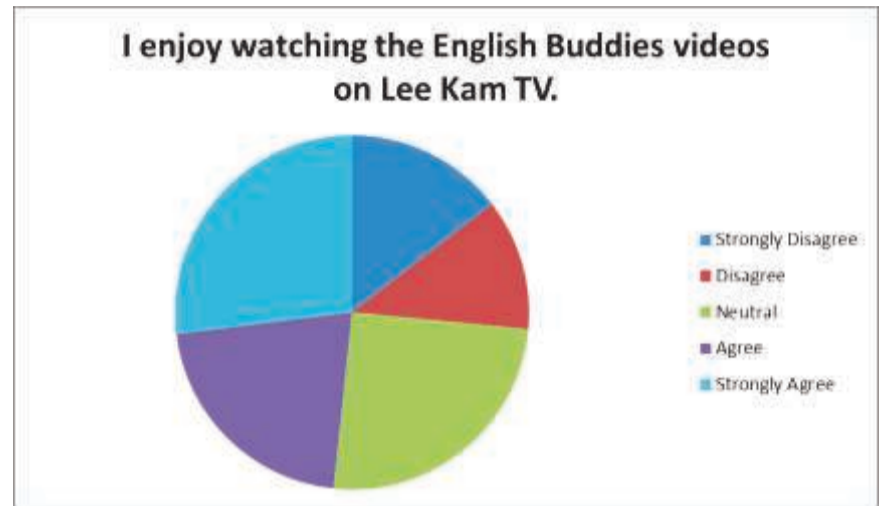

The English Buddy videos teach the students English. Most of the students strongly agree that the English Buddy videos on Lee Kam TV are great.

The English Everywhere notice board is a board in the covered playground near the toilet. It talks about each month at LKPS and the song of the month. The survey showed that some of the students read the English Everywhere notice board on the ground floor.

The food ingredient cards shows us what food the students eat in their lunch. Most of the students read the food ingredients cards in the canteen.

Miss Karen and the English Buddies play many pop songs once a month. The music is played through speakers after school. Most of the students enjoy listening to the English songs before school and when they leave school.

Over all, we see most of the students like the activities by the English DJs and Miss Karen.
