Song of September

Plus is living meaningfully caring for friends
and family
Plus means don't give up when we're low
'cause mistakes will help us grow
Plus is learning about how we feel
So all our challenges are no big deal
Together let's chase our dreams
That's what plus means

We are SUPER+. We are SUPER+.

I SEE LOVE Song of October

This is such a perfect place
I'm glad I found this with you
Our love reflected in your face
Only Heaven can beat this view

Come on, let's run and get lost in the crowd
Into the light as the night's comin' down
I'm double-tappin', I'm focusin' now
We're focusin' now

I see love
I see love around me
From a river to a flood
I see love around me (love around me)

All of you, helped me find my heart
I didn't even know my name
Then I was blinded by the dark
My eyes will never look the same

Come on, let's run and get lost in the crowd
Into the light as the night's comin' down
I'm double-tappin', I'm focusin' now
We're focusin' now

I see love
I see love around me
From a river to a flood
I see love around me (love around me)
I see love
I see love
From a river to a flood
I see love around me (love around me)

Come on, let's run and get lost in the crowd
Into the light as the night's comin' down
I'm double-tappin', I'm focusin' now
We're focusin' now

I see love
I see love around me
From a river to a flood
I see love around me (love around me)
I see love
I see love
From a river to a flood
I see love around me
I see love

GIRL IN THE MIRROR Song of November

I'm tired of my thoughts
They weigh me down, feels like I'm drowning
I'm tired of my flaws, they fill me with anxiety and I
Honestly, I'm done with hating pictures of myself
And tryna be like everybody else

I wanna be like, look like
The girl in the mirror
Wanna act like, dance like
No one's watching her
I could try to be just like you
But I wanna be like me
The girl in the mirror

The girl in the mirror
The girl in the mirror

I'm sick of the likes
And followers, everyone's countin'
I'm sick of the lies
Smilin' but I'm crying inside
Honestly, I'm done with hating pictures of myself
And tryna be like everybody else

I wanna be like, look like
The girl in the mirror
Wanna act like, dance like
No one's watching her
I could try to be just like you
But I wanna be like me
The girl in the mirror

The girl in the mirror

Wanna wake up, no make up
And still think I'm beautiful
Wanna smile like, I mean it
And finally be comfortable with me
Finally be comfortable with me, oh

I wanna be like, look like
The girl in the mirror
Wanna act like, dance like
No one's watching her
I could try to be just like you
But I wanna be like me
The girl in the mirror

The girl in the mirror
The girl in the mirror
Girl in the mirror
The girl in the mirror

MERRY CHRISTMAS

Song of December

Build a fire and gather 'round the tree
Fill a glass and maybe come and sing with me

So kiss me under the mistletoe
Pour out the wine, let's toast and pray for
December snow
I know there's been pain this year, but it's
time to let it go
Next year, you never know
But for now, Merry Christmas

We'll dance in the kitchen while embers glow
We've both known love, but this love we got
is the best of all
I wish you could see it through my eyes then
you would know
My God, you look beautiful right now
Merry Christmas

The fire is raging on
And we'll all sing along to the song
Just having so much fun
While we're here, can we all spare a thought
For the ones who have gone?
Merry Christmas, everyone

So just keep kissing me under the mistletoe
Pour out the wine, let's toast and pray for
December snow
I know there's been pain this year, but it's
time to let it go
Next year, you never know
But for now, Merry Christmas

We'll dance in the kitchen while embers
glow
We've both known love, but this love we got
is the best of all
I wish you could see it through my eyes
then you would know
My God, you look beautiful right now
Merry Christmas

I feel it when it comes
Every year, helping us carry on
Filled up with so much love
All the family and friends all together
Where we all belong
Merry Christmas, everyone

It's Christmas time for you and I
We'll have a good night and a merry
Christmas

It's Christmas time for you and I
We'll have a good night and a merry
Christmas

It's Christmas time for you and I
We'll have a good night and a merry
Christmas

It's Christmas time for you and I
We'll have a good night and a merry
Christmas time

SHOW YOURSELF

Song of January

Every inch of me is trembling
But not from the cold
Something is familiar
Like a dream I can reach but not quite hold
I can sense you there
Like a friend I've always known
I'm arriving
And it feels like I am home

I have always been a fortress
Cold secrets deep inside
You have secrets, too
But you don't have to hide

Show yourself
I'm dying to meet you
Show yourself
It's your turn
Are you the one I've been looking for
All of my life?
Show yourself
I'm ready to learn

Ah-ah, ah-ah
Ah-ah, ah-ah-ah

I've never felt so certain
All my life I've been torn
But I'm here for a reason
Could it be the reason I was born?
I have always been so different
Normal rules did not apply
Is this the day?

Show yourself
I'm no longer trembling
Here I am
I've come so far
You are the answer I've waited for
All of my life
Oh, show yourself
Let me see who you are

Come to me now
Open your door
Don't make me wait
One moment more
Oh, come to me now
Open your door
Don't make me wait
One moment more
Where the north wind meets the sea

Ah-ah, ah-ah
There's a river
Ah-ah, ah-ah
Full of memory
Come, my darling, homeward bound

I am found

Show yourself
Step into your power
Grow yourself
Into something new

You are the one you've been waiting for
All of my life

Are you the way
I finally find out why?

All of your life
Oh, show yourself

Ah-ah, ah-ah (ah-ah, ah-ah)
Ah-ah, ah-ah (ah-ah, ah-ah)
Ah-ah, ah-ah

LOYAL BRAVE TRUE

Song of February

War is not freedom
Over my shoulder
I see a clearer view

All for my family
Reason I'm breathing
Everything to lose

Should I ask myself in the water
What a warrior would do?
Tell me, underneath my armor
Am I loyal, brave and true?
Am I loyal, brave and true?

Losing is easy
Winning takes bravery
I am a tiger's fool

Out in the open
No one to save me
The kindest of whispers are cruel

Should I ask myself in the water
What a warrior would do?
Tell me, underneath my armor
Am I loyal, brave and true?
Am I loyal, brave and true?

Cold is the morning
Warm is the dream
Chasing the answers
'Til I can't sleep
Will I be stronger
Or will I be weak
When you're not with me?

Who am I without my armor?
Standing in my father's shoes
All I know is that it's harder
To be loyal, brave and true

SURFACE PRESSURE

Song of March

I'm the strong one, I'm not nervous
I'm as tough as the crust of the Earth is
I move mountains, I move churches
And I glow, 'cause I know what my worth is
I don't ask how hard the work is
Got a rough indestructible surface
Diamonds and platinum, I find 'em, I flatten
'em
I take what I'm handed, I break what's
demanded

But under the surface, I feel berserk as a
tightrope walker in a three-ring circus
Under the surface, was Hercules ever like,
"Yo, I don't wanna fight Cerberus?"
Under the surface, I'm pretty sure I'm
worthless if I can't be of service
A flaw or a crack, the straw in the stack
That breaks the camel's back, what breaks
the camel's back?

It's pressure like a drip, drip, drip that'll
never stop, whoa
Pressure that'll tip, tip, tip 'til you just go
pop, whoa, oh, oh
Give it to your sister, your sister's older
Give her all the heavy things we can't
shoulder
Who am I if I can't run with the ball?
If I fall to

Pressure like a grip, grip, grip, and it won't let
go, whoa
Pressure like a tick, tick, tick 'til it's ready
to blow, whoa, oh, oh

Under the surface, I hide my nerves and it
worsens, I worry something is gonna hurt us
Under the surface, the ship doesn't swerve as
it heard how big the iceberg is
Under the surface, I think about my purpose,
can I somehow preserve this?
Line up the dominoes, a light wind blows
You try to stop it tumbling, but on and on, it
goes

But wait, if I could shake the crushing weight
of expectations
Would that free some room up for joy or
relaxation, or simple pleasure?
Instead, we measure this growing pressure
Keeps growing, keep going
'Cause all we know is

Pressure like a drip, drip, drip that'll never
stop, whoa
Pressure that'll tip, tip, tip 'til you just go pop,
whoa, oh, oh
Give it to your sister, it doesn't hurt, and
See if she can handle every family burden
Watch as she buckles and bends but never
breaks, no mistakes

Just pressure like a grip, grip, grip, and it won't
let go, whoa
Pressure like a tick, tick, tick 'til it's ready to
blow, whoa, oh, oh
Give it to your sister and never wonder
If the same pressure would've pulled you under
Who am I if I don't have what it takes?

Give it to your sister, your sister's stronger
See if she can hang on a little longer
Who am I if I can't carry it all?
If I falter

No cracks, no breaks
No mistakes, no pressure

BETTER WHEN I'M DANCING Song of April

Hmm, hey, mmh
Hey

Don't think about it
Just move your body
Listen to the music
Sing, oh, ey, oh
Just move those left feet
Go ahead get crazy
Anyone can do it
Sing, oh, ey, oh

Show the world you've got that fire
Feel the rhythm getting louder
Show the world what you can do
Prove to them you've got the moves

Show the world you've got that fire
Feel the rhythm getting louder
Show the world you can do
Prove to them you've got the moves
I don't know about you

But I feel better when I'm dancing, yeah, yeah
Better when I'm dancing, yeah, yeah
Oh, we can do this together
I bet you feel better when you're dancing?
Yeah, yeah

Pa-pa-pa-da-da
La-la-la-la-da-da
La-la-la-la-da-da
Pa-pa-da-da (x2)

I don't know about you

But I feel better when I'm dancing, yeah,
yeah

Better when I'm dancing, yeah, yeah
Oh, we can do this together
I bet you feel better when you're
dancing? Yeah, yeah

Pa-pa-pa-da-da
La-la-la-la-da-da
La-la-la-la-da-da
Pa-pa-da-da

When you finally let go
And you slay that solo
'Cause you listen to the music
Sing, oh, ey, oh
'Cause you're confident, babe
And you make your hips sway
We knew that you could do it
Sing, oh, ey, oh

Ey

Oh, ey, oh

Oh, ey, oh

I feel better when I'm dancing (Oh, ey, oh)

I'm better when I'm dancing (Oh, ey, oh)

Oh, ey, oh

I feel better when I'm dancing, yeah, yeah

Better when I'm dancing, yeah, yeah

Don't you know, we can do this together

Bet you feel better when you're dancing?

Yeah, yeah

Pa-pa-pa-da-da

La-la-la-la-da-da

La-la-la-la-da-da (You got to move it)

Pa-pa-pa-da-da

La-la-la-la-da-da

La-la-la-la-da-da

I feel better when I'm dancing

Better when I'm dancing

Feel better when I'm, yeah, yeah

ON TOP OF THE WORLD Song of May

If you love somebody
Better tell them why they're here 'cause
They just may run away from you

You'll never know what went well
Then again it just depends on
How long of time is left for you

I've had the highest mountains
I've had the deepest rivers
You can have it all but not til you move it

Now take it in but don't look down

'Cause I'm on top of the world, 'ey
I'm on top of the world, 'ey
Waiting on this for a while now
Paying my dues to the dirt
I've been waiting to smile, 'ey
Been holding it in for a while, 'ey
Take it with me if I can
Been dreaming of this since a child
I'm on top of the world

I've tried to cut these corners
Try to take the easy way out
I kept on falling short of something

I coulda gave up then but
Then again I couldn't have 'cause
I've traveled all this way for something

Now take it in but don't look down
'Cause I'm on top of the world, 'ey
I'm on top of the world, 'ey
Waiting on this for a while now
Paying my dues to the dirt
I've been waiting to smile, 'ey
Been holding it in for a while, 'ey
Take it with me if I can
Been dreaming of this since a child
I'm on top of the world

'Cause I'm on top of the world, 'ey
I'm on top of the world, 'ey
Waiting on this for a while now
Paying my dues to the dirt
I've been waiting to smile, 'ey
Been holding it in for a while, 'ey
Take it with me if I can
Been dreaming of this since a child

And I know it's hard when you're
falling down
And it's a long way up when you hit
the ground
Get up now, get up, get up now

And I know it's hard when you're
falling down
And it's a long way up when you hit
the ground
Get up now, get up, get up now

'Cause I'm on top of the world, 'ey
I'm on top of the world, 'ey
Waiting on this for a while now

Paying my dues to the dirt
I've been waiting to smile, 'ey
Been holding it in for a while, 'ey
Take it with me if I can
Been dreaming of this since a child
I'm on top of the world

I CHOOSE

All of my life
I thought I was right
Looking for something new
Stuck in my ways
Like old-fashioned days
But all the roads led me to you

The house that you live in don't make it a
home
But feeling lonely don't mean you're alone
People in life, they will come and they'll
leave
But if I had a choice I know where I would
be

Through the lows and the highs, I will stay
by your side
There's no need for goodbyes, now I'm
seeing the light
When the sky turns to grey and there's
nothing to say
At the end of the day, I choose you

Song of June

Through the lows and the highs, I will stay
by your side
There's no need for goodbyes, now I'm
seeing the light
When the sky turns to grey and there's
nothing to say
At the end of the day, I choose you

I choose you

Through the lows and the highs, I will stay
by your side
There's no need for goodbyes, now I'm
seeing the light

Through the lows and the highs I will stay
by your side
There's no need for goodbyes, now I'm
seeing the light
When the sky turns to grey and there's
nothing to say
At the end of the day, I choose you
Oh, I choose you

Now I found the strength
To make a change
And look at the magic I found
No matter the name
Or where you came from
'Cause no one has much figured out

The house that you live in don't make it a
home
But feeling lonely don't mean you're alone
I finally found where I feel I belong
And I know you'll be there with wide open
arms

I choose you

I WILL SURVIVE

At first I was afraid, I was petrified
Kept thinkin' I could never live
Without you by my side
But then I spent so many nights
Thinkin' how you did me wrong
And I grew strong and I
Learned how to get along

And so you're back, from outer space
I just walked into find you here with
That sad look upon your face
I should have changed that stupid lock
I should have made you leave your key
If I had known for just one second
You'd be back to bother me

Go on now, go, walk out the door
Just turn around now

Song of July

And you see me, somebody new
I'm not that chained up little person
Still in love with you
And so you felt like droppin' in and
Just expect me to be free
Well now I'm saving all my lovin'
For someone who's lovin' me

Go on now, go, walk out the door
Just turn around now
'cause you're not welcome anymore
Weren't you the one who tried
To break me with goodbye
Did you think I'd crumble? Did you
Think I'd lay down and die?

Oh no, not I, I will survive
Oh, as long as I know how to love

'cause you're not welcome anymore
Weren't you the one who tried
To hurt me with goodbye?
Did you think I'd crumble? Did you
Think I'd lay down and die?

Oh no, not I, I will survive
Oh, as long as I know how to love
I know I'll stay alive
I've got all my life to live
And I've got all my love to give
And I'll survive, I will survive, hey hey

It took all the strength I had
Not to fall apart
Keep tryin' hard to mend the
Pieces of my broken heart
And I spent oh so many nights
Just feeling sorry for myself
I used to cry, but now I hold my head up
high

I know I'll stay alive
I've got all my life to live
And I've got all my love to give
And I'll survive, I will survive

Go on now, go, walk out the door
Just turn around now
'cause you're not welcome anymore
Weren't you the one who tried
To break me with goodbye
Did you think I'd crumble? Did you
Think I'd lay down and die?

Oh no, not I, I will survive
Oh, as long as I know how to love
I know I'll stay alive
I've got all my life to live
And I've got all my love to give
And I'll survive, I will survive
